

Reference File: Stairs to Storytime.pptx

Part A: Smallest to Largest								
ID	Stage (E/I/S)	Instruction (≤10w)	Child Action	Visual Setup	Interaction Type	Feedback	Hints / Scaffolds	Notes
T01	Iconic	Let us put the steps in order.	Watch	Three number steps (31, 13, 29) appears on steps; empty slots left to right	Auto	Soft chime	—	Goal-setting
T02	Iconic	From smallest to largest.	Watch	Three empty slots glow left to right; "<" signs shine; number steps below	Auto	Calm VO repeats goal	—	Ordering direction
T03	Iconic	Look at the tens digits.	Watch	Tens digits (3,1,2) glow and zoom above numbers	Auto	Soft chime	—	Visual attention cue
T04	Enactive	Tap the smallest tens digit.	Tap 1	Tens digits (3,1,2) glow and zoom above numbers	Tap	Sparkle + "Yes! One is smallest tens digit!" Wobble	Glow around 1 after error	Checks tens comparison
T05	Iconic	So, 13 is the smallest number.	Watch	All three steps visible below. 13 glows bright.	Auto	Soft chime	—	Reasoning confirmation
T06	Enactive	Drag it here.	Drag 13	First slot glowing; number steps movable	Drag-and-drop	Sparkle + "Well done!" Bounce back	Ghost drag after idle	Connect reasoning to order
T07	Iconic	Compare the tens of numbers left.	Watch	31 and 29 remain; tens digits (3,2) glow	Auto	Neutral chime	—	Next comparison
T08	Enactive	Tap the smaller tens digit.	Tap 2	Tens digits (3,2) enlarge and glow	Tap	Sparkle + "Yes! Two is smaller than three!" Wobble	Glow around 2	Second comparison
T09	Iconic	So, 29 is smaller than 31.	Watch	13 fixed; 29 and 31 visible	Auto	Soft chime	—	Logical conclusion
T10	Enactive	Drag it here.	Drag 29	Second slot glowing	Drag-and-drop	Sparkle + "Well done!" Bounce back.	Ghost drag	Reinforces order
T11	Enactive	Now, drag the last number here.	Drag 31	Last slot glowing	Drag-and-drop	Sparkle + "31 is the largest number!"	Ghost drag after idle	Final ordering
T12	Closure	Yayy! Steps are fixed.	Watch	Ordered staircase: 13, 29, 31	Auto	Confetti + cheerful music	—	Completion
Scr	Scene Title	Scene Description	Visuals	Narration / Dialogue	OST	Interaction	Feedback	EIS
T1	Climbing Up	Agni and Neel climb the staircase	Agni and Neel happily climb the glowing steps	Agni (excited): Yay! Let us keep going!	Light cheerful music	None	Sparkles appear as they climb	Enactive
T2	New Naughty Steps	Another set of steps appears ahead	New floating steps appear above: 48, 62, 26	Neel (curious): Oh! More naughty steps to fix!	Curious chime	Drag steps (next puzzle begins)	Soft glow	Symbolic
ID	Stage	Instruction (≤10w)	Child Action	Visual Setup	Interaction	Feedback	Hints / Scaffolds	Notes
IP01	Iconic	Drag the steps into order.	Watch	48, 62, 26 float in below three empty slots	Auto	Soft chime	—	Action cue introduced
IP02	Iconic	From smallest to largest.	Watch	Slots glow left → right; < signs appear between them	Auto	Calm chime	—	Direction clarified
IP03	Enactive	—	Drag each step into slot	Numbers movable below staircase	Drag → temporary snap	Steps gently wake and sparkle when placed	Idle glow on slots	Independent solve
IP04	Enactive	—	Tap check button	Check button glows when slots filled	Tap	If correct: green sparkle + chime; VO: "Yes! that is the correct order — smallest to largest!" If wrong: wrong steps bounce back + VO: "Put the steps in correct order." After second attempt, if wrong again: bounce back + VO: "Look closely, compare the tens."	Tens digits (4,6,2) glow above numbers	Assessment moment
IP05	Symbolic	Yay! You fixed the steps.	Tap staircase	Final ordered row 26 < 48 < 62	Tap	Staircase rises + celebration	—	Symbolic reinforcement
ID	Stage (E/I/S)	Instruction (≤10w)	Child Action	Visual Setup	Interaction Type	Feedback	Hints / Scaffolds	Notes
T01	Iconic	Let us put the steps in order.	Watch	Three number steps (32, 37, 30) appear on steps; empty slots left → right	Auto	Soft chime	—	Goal-setting
T02	Iconic	From smallest to largest.	Watch	Three empty slots glow left → right; "<" signs shine; number steps below	Auto	Calm VO repeats goal	—	Ordering direction
T03	Iconic	Look at the tens digits.	Watch	Tens digits (3,3,3) glow and zoom above numbers	Auto	Soft chime	—	Visual attention cue
T04	Iconic	All numbers have the same tens.	Watch	Tens digits stay highlighted together	Auto	Soft chime	—	Introduces equal-tens case

T05	Iconic	Look at the ones digits now.	Watch	Ones digits (2,7,0) glow and enlarge	Auto	Gentle pop animation	—	Shift comparison to ones
T06	Enactive	Tap the smallest ones digit.	Tap 0	Enlarged ones digits (2,7,0) spaced apart	Tap	Sparkle + "Zero is smallest!" Wobble	Glow around 0 after error	Ones comparison
T07	Iconic	So, 30 is the smallest number.	Watch	30 glows brightly among numbers	Auto	Soft chime	—	Reasoning confirmation
T08	Enactive	Drag it here.	Drag 30	First slot glowing; numbers movable	Drag-and-drop	Sparkle + "Well done!" Bounce back	Ghost drag after idle	Connect reasoning to order
T09	Iconic	Compare the ones of numbers left.	Watch	32 and 37 remain; ones digits (2,7) glow	Auto	Neutral chime	—	Next comparison
T10	Enactive	Tap the smaller ones digit.	Tap 2	Floating ones digits (2,7)	Tap	Sparkle + "Two is smaller than seven!" Wobble	Glow around 2	Second comparison
T11	Iconic	So, 32 is smaller than 37.	Watch	30 fixed; 32 and 37 visible	Auto	Soft chime	—	Logical conclusion
T12	Enactive	Drag it here.	Drag 32	Second slot glowing	Drag-and-drop	Sparkle + "Well done!" Bounce back	Ghost drag	Reinforces order
T13	Enactive	Now drag the last number here.	Drag 37	Last slot glowing	Drag-and-drop	Sparkle + "37 is the largest number!"	Ghost drag after idle	Final ordering
T14	Closure	Perfect! Steps are fixed.	Watch	Ordered staircase 30, 32, 37	Auto	Confetti + cheerful music	—	Completion
ID	Stage	Instruction (≤10w)	Child Action	Visual Setup	Interaction	Feedback	Hints / Scaffolds	Notes
IP01	Iconic	Drag the steps into order.	Watch	76, 71, 73 float in below three empty slots	Auto	Soft chime	—	Action cue introduced
IP02	Iconic	From smallest to largest.	Watch	Slots glow left → right; < signs appear between them	Auto	Calm chime	—	Direction clarified
IP03	Enactive	—	Drag each step into slot	Numbers movable below staircase	Drag → temporary snap	Steps gently wake and sparkle when placed	Idle glow on slots	Independent solve
IP04	Enactive	—	Tap check button	Check button glows when slots filled	Tap	If correct: green sparkle + chime; VO: "Yes! that is the correct order — smallest to largest!" If wrong: wrong steps bounce back + VO: "Put the steps in correct order." After second attempt, if wrong again: bounce back + VO: "Look closely. Tens are same, compare the ones."	Ones digits (6,1,3) glow above numbers	Assessment moment
IP05	Symbolic	Yay! You fixed the steps.	Tap staircase	Final ordered row 71 < 73 < 76	Tap	Staircase rises + celebration	—	Symbolic reinforcement
ID	Stage (E/I/S)	Instruction (≤10w)	Child Action	Visual Setup	Interaction	Feedback	Hints / Scaffolds	Notes
T01	Iconic	Let us put the steps in order.	Watch	Three number steps (53, 35, 58) appear; empty slots left to right	Auto	Soft chime	—	Goal setting
T02	Iconic	From smallest to largest.	Watch	Three slots glow left to right; "<" signs shine	Auto	Calm VO repeats goal	—	Ordering direction
T03	Iconic	Look at the tens digits.	Watch	Tens digits (5, 3, 5) glow and zoom above numbers	Auto	Soft chime	—	Visual attention
T04	Enactive	Tap the smallest tens digit.	Tap 3	Floating tens digits (5, 3, 5) spaced apart	Tap	Sparkle + "Yes! Three is the smallest!" Wobble	Glow around 3	Identify smallest tens
T05	Iconic	So, 35 is the smallest number.	Watch	35 glows brightly; other numbers dim slightly	Auto	Soft chime	—	Reasoning confirmation
T06	Enactive	Drag it here.	Drag 35	First slot glowing	Drag-and-drop	Sparkle + "Well done!" Bounce back	Ghost drag after idle	First number placed
T07	Iconic	Compare the tens digits of the numbers left.	Watch	53 and 58 remain on screen; empty slots for 2nd and 3rd	Auto	Neutral chime	—	Transition step
T09	Iconic	Both numbers have the same tens.	Watch	Both 5s pulse together	Auto	Soft chime	—	Equal-tens case
T10	Iconic	Now, look at the ones digits.	Watch	Ones digits 3 and 8 enlarge	Auto	Gentle pop	—	Shift to ones
T11	Enactive	Tap the smaller ones digit.	Tap 3	Floating digits 3 and 8	Tap	Sparkle + "Yes! 3 ones is smaller than 8 ones!!" Wobble	Glow around 3	Ones comparison
T12	Iconic	So, 53 is smaller than 58.	Watch	53 glows brighter	Auto	Soft chime	—	Reasoning confirmation
T13	Enactive	Drag it here.	Drag 53	Second slot glowing	Drag-and-drop	Sparkle + "Well done!" Bounce back	Ghost drag	Reinforce order
T14	Enactive	Drag the last number here.	Drag 58	Final slot glowing	Drag-and-drop	Sparkle + "58 is the largest!"	Ghost drag	Final ordering
T15	Closure	Yayy! Steps are fixed.	Watch	Ordered staircase 35, 53, 58	Auto	Confetti + music	—	Completion
ID	Stage	Instruction (≤10w)	Child Action	Visual Setup	Interaction	Feedback	Hints / Scaffolds	Notes
IP01	Iconic	Drag the steps into order.	Watch	59, 60, 64 float in below three empty slots	Auto	Soft chime	—	Action cue introduced

IP02	Iconic	From smallest to largest.	Watch	Slots glow left → right; < signs appear between them	Auto	Calm chime	—	Direction clarified
IP03	Enactive	—	Drag each step into slot	Numbers movable below staircase	Drag → temporary snap	Steps gently wake and sparkle when placed	Idle glow on slots	Independent solve
IP04	Enactive	—	Tap check button	Check button glows when slots filled	Tap	If correct: green sparkle + chime; VO: "Yes! that is the correct order — smallest to largest!" If wrong: wrong steps bounce back + VO: "Put the steps in correct order." After second attempt, if wrong again: bounce back + VO: "Look closely, compare the tens." If tens match; "Tens are same, compare the ones."	Tens digits (5,6,6) glow; if tens tie (60 & 64), ones digits (0,4) pulse	Assessment moment
IP05	Symbolic	Yay! You fixed the steps.	Tap staircase	Final ordered row 59 < 60 < 64	Tap	Staircase rises + celebration	—	Symbolic reinforcement
Scr	Scene Title	Scene Description	Visuals	Narration / Dialogue	OST	Interaction	Feedback	EIS
T1	New Steps Appear	A new set of steps forms	Fresh glowing steps appear: 30, 27, 36	Neel (curious): Oh another set of naughty stairs.	Oh another set of naughty stairs.	None	Soft glow	Symbolic
T2	Neel Tries Again	Neel arranges confidently	Neel moving steps into order	—	—	None	Steps snap	Enactive
T3	Something Wrong	Steps do not fix	Steps shake and separate	Narrator (concerned): But the steps do not fix this time.	—	None	Warning wobble	Symbolic
T4	Shock & Worry	They feel confused	Agni and Neel looking worried	Neel (worried): Oh no... why did it not work?	Oh no... why did it not work?	None	Dim pulse	Symbolic
T5	Wizard Explains	Wizard appears and reveals the mistake	Wizard appears in a swirl of sparkles. The steps glow and flip direction arrows.	Wizard: Because we need to flip the order now.	Because we need to flip the order now.	None	Sparkle swirl	Symbolic
T6	New Instruction	Order changes	Words glow in air	Wizard: From largest to smallest.	—	Drag steps	Soft glow	Symbolic
Part B: Largest to Smallest								
ID	Stage (E/I/S)	Instruction (≤10w)	Child Action	Visual Setup	Interaction Type	Feedback	Hints / Scaffolds	Notes
T01	Iconic	Let us put the steps in order.	Watch	Three number steps (30, 47, 36) appear on steps; empty slots left to right	Auto	Soft chime	—	Goal-setting
T02	Iconic	From largest to smallest.	Watch	Three empty slots glow left → right; ">" signs shine; number steps below	Auto	Calm VO repeats goal	—	Ordering direction
T03	Iconic	Look at the tens digits.	Watch	Tens digits (3,4,3) glow and zoom above numbers	Auto	Soft chime	—	Visual attention cue
T04	Enactive	Tap the largest tens digit.	Tap 4	Tens digits (3,4,3) glow above numbers	Tap	Sparkle + "Yes! Four is the largest tens digit!" Wobble	Glow around 4 after error	Checks tens comparison
T05	Iconic	So, 47 is the largest number.	Watch	All numbers visible; 47 glows brightly	Auto	Soft chime	—	Reasoning confirmation
T06	Enactive	Drag it here.	Drag 47	First slot glowing; number steps movable	Drag-and-drop	Sparkle + "Well done!" Bounce back	Ghost drag after idle	Connect reasoning to order
T07	Iconic	Compare the tens of numbers left.	Watch	36 and 30 remain; tens digits (3,3) glow together	Auto	Soft chime + VO: "Both numbers have the same tens."	—	Equal-tens case introduced
T08	Iconic	Look at the ones digits now.	Watch	Ones digits (6,0) glow and enlarge	Auto	Gentle pop	—	Shift comparison to ones
T09	Enactive	Tap the larger ones digit.	Tap 6	Floating ones digits (6,0)	Tap	Sparkle + "Six is larger than zero!" Wobble	Glow around 6	Ones comparison
T10	Iconic	So, 36 is larger than 30.	Watch	47 fixed; 36 and 30 visible	Auto	Soft chime	—	Logical conclusion
T11	Enactive	Drag it here.	Drag 36	Second slot glowing	Drag-and-drop	Sparkle + "Well done!" Bounce back	Ghost drag	Reinforces order
T12	Enactive	Now drag the last number here.	Drag 30	Last slot glowing	Drag-and-drop	Sparkle + "30 is the smallest number!"	Ghost drag after idle	Final ordering
T13	Closure	Perfect! Steps are fixed.	Watch	Ordered staircase 47, 36, 30	Auto	Confetti + cheerful music	—	Completion
ID	Stage	Instruction (≤10w)	Child Action	Visual Setup	Interaction	Feedback	Hints / Scaffolds	Notes
IP01	Iconic	Drag the steps into order.	Watch	53, 50, 57 float in below three empty slots	Auto	Soft chime	—	Action cue introduced

IP02	Iconic	From largest to smallest.	Watch	Slots glow left → right; > signs appear between them	Auto	Calm chime	—	Direction clarified
IP03	Enactive	—	Drag each step into slot	Numbers movable below staircase	Drag → temporary snap	Steps gently wake and sparkle when placed	Idle glow on slots	Independent solve
IP04	Enactive	—	Tap check button	Check button glows when slots filled	Tap	If correct: green sparkle + chime; VO: "Yes! that is the correct order — largest to smallest!" If wrong: wrong steps bounce back + VO: "Put the steps in correct order." After second attempt, if wrong again: bounce back + VO: "Look closely. Tens are same, compare the ones."	Ones digits (3,0,7) glow above numbers	Assessment moment
IP05	Symbolic	Yay! You fixed the steps.	Tap staircase	Final ordered row 57 > 53 > 50	Tap	Staircase rises + celebration	—	Symbolic reinforcement
ID	Stage	Instruction (≤10w)	Child Action	Visual Setup	Interaction	Feedback	Hints / Scaffolds	Notes
IP01	Iconic	Drag the steps into order.	Watch	57, 59, 75 float in below three empty slots	Auto	Soft chime	—	Action cue introduced
IP02	Iconic	From largest to smallest.	Watch	Slots glow left → right; > signs appear between them	Auto	Calm chime	—	Direction clarified
IP03	Enactive	—	Drag each step into slot	Numbers movable below staircase	Drag → temporary snap	Steps gently wake and sparkle when placed	Idle glow on slots	Independent solve
IP04	Enactive	—	Tap check button	Check button glows when slots filled	Tap	If correct: green sparkle + chime; VO: "Yes! that is the correct order — largest to smallest!" If wrong: wrong steps bounce back + VO: "Put the steps in correct order." After second attempt, if wrong again: bounce back + VO: "Look closely, compare the tens." If tens same; "Tens are same, compare the ones."	Tens digits (5,5,7) glow; if tens tie (57 & 59), ones digits (7,9) pulse	Assessment moment
IP05	Symbolic	Yay! You fixed the steps.	Tap staircase	Final ordered row 75 > 59 > 57	Tap	Staircase rises + celebration	—	Symbolic reinforcement
ID	Stage	Instruction (≤10w)	Child Action	Visual Setup	Interaction	Feedback	Hints / Scaffolds	Notes
IP01	Iconic	Drag the steps into order.	Watch	39, 42, 26 float in below three empty slots	Auto	Soft chime	—	Action cue introduced
IP02	Iconic	From largest to smallest.	Watch	Slots glow left → right; > signs appear between them	Auto	Calm chime	—	Direction clarified
IP03	Enactive	—	Drag each step into slot	Numbers movable below staircase	Drag → temporary snap	Steps gently wake and sparkle when placed	Idle glow on slots	Independent solve
IP04	Enactive	—	Tap check button	Check button glows when slots filled	Tap	If correct: green sparkle + chime; VO: "Yes! that is the correct order — largest to smallest!" If wrong: wrong steps bounce back + VO: "Put the steps in correct order." After second attempt, if wrong again: bounce back + VO: "Look closely, compare the tens."	Tens digits (3,4,2) glow above numbers	Assessment moment
IP05	Symbolic	Yay! You fixed the steps.	Tap staircase	Final ordered row 42 > 39 > 26	Tap	Staircase rises + celebration	—	Symbolic reinforcement
ID	Stage	Instruction (≤10w)	Child Action	Visual Setup	Interaction	Feedback	Hints / Scaffolds	Notes
IP01	Iconic	Drag the steps into order.	Watch	66, 69, 61 float in below three empty slots	Auto	Soft chime	—	Action cue introduced
IP02	Iconic	From largest to smallest.	Watch	Slots glow left → right; > signs appear between them	Auto	Calm chime	—	Direction clarified
IP03	Enactive	—	Drag each step into slot	Numbers movable below staircase	Drag → temporary snap	Steps gently wake and sparkle when placed	Idle glow on slots	Independent solve
IP04	Enactive	—	Tap check button	Check button glows when slots filled	Tap	If correct: green sparkle + chime; VO: "Yes! that is the correct order — largest to smallest!" If wrong: wrong steps bounce back + VO: "Put the steps in correct order." After second attempt, if wrong again: bounce back + VO: "Look closely. Tens are same, compare the ones."	Ones digits (6,9,1) glow above numbers	Assessment moment
IP05	Symbolic	Yay! You fixed the steps.	Tap staircase	Final ordered row 69 > 66 > 61	Tap	Staircase rises + celebration	—	Symbolic reinforcement
ID	Stage	Instruction (≤10w)	Child Action	Visual Setup	Interaction	Feedback	Hints / Scaffolds	Notes
IP01	Iconic	Drag the steps into order.	Watch	79, 81, 92 float in below three empty slots	Auto	Soft chime	—	Action cue introduced

IP02	Iconic	From largest to smallest.	Watch	Slots glow left → right; > signs appear between them	Auto	Calm chime	—	Direction clarified
IP03	Enactive	—	Drag each step into slot	Numbers movable below staircase	Drag → temporary snap	Steps gently wake and sparkle when placed	Idle glow on slots	Independent solve
IP04	Enactive	—	Tap check button	Check button glows when slots filled	Tap	If correct: green sparkle + chime; VO: "Yes! that is the correct order — largest to smallest!" If wrong: wrong steps bounce back + VO: "Put the steps in correct order." After second attempt, if wrong again: bounce back + VO: "Look closely, compare the tens."	Tens digits (7,8,9) glow above numbers	Assessment moment
IP05	Symbolic	Yay! You fixed the steps.	Tap staircase	Final ordered row 92 > 81 > 79	Tap	Staircase rises + celebration	—	Symbolic reinforcement
